Rules & Regulations

1. Your team can be 1-4 team members

    a.   You are in complete control of creating and managing your own team

2. Pay attention to any announcements the UA Innovate Team sends via Microsoft Teams

3. Treat all attendees, staff, sponsors, and judges with the utmost respect

4. To ensure fairness for all attendees, all aspects of the submission must be created within the 24 hours of the hackathon and innovation challenge

5. Please review and abide by The University's Code of Conduct (https://studentconduct.sa.ua.edu/code-student-conduct/)

6. Have fun!

Disclosure:

Due to the nature of the competition, we will not ask judges, reviewers, or staff to agree to or sign non-disclosure statements for any participant. By participating in the competition, participants agree that neither The University of Alabama, UA Innovate, nor their designate organizations assume any liability whatsoever for any disclosures of business plan information which may be made (whether inadvertently or otherwise) by any judge, reviewer, staff member, or other individuals connected with, participating in, viewing, hearing, or receiving information from the competition.
